

**DELTA THETA SIGMA - Gamma Chapter - ALUMNI DIRECTORY**  
**DTS Brother "INFO-SHEET"**

*--See the back side or other sheet for instructions--*

We are creating a DTS ALUMNI DIRECTORY merging alumni data from various DTS lists and files, plus personal data (that's this Info-Sheet) provided by our DTS Brothers. The Directory will exist in electronic form and will be updated annually or more often as necessary. Various "reports" in formats as Excel, Word or pdf files can be prepared from the MS Access Data Base and will be available for distribution via e-mail only. The Directory is intended to be available only to our DTS Alumni Brothers and Families.

**Have you previously sent us your INFO-SHEET? --- If yes, use this form only when you have additions, changes, etc.**

**PRINT CAREFULLY!** Make every letter and number legible. Then there is no guessing for those who type your "INFO" into our Data Base..
